Dear [Merge Name]

As a current student you have been identified as eligible to progress to the next year/level of study from September.

As an eligible progressor we have been **emailing, texting** and **calling** to keep you informed about your progression and the next steps. We wanted to make you aware, and to check that you have been receiving our communications.

If you have a **question or query about progressing from September** onwards, you should **contact your tutor by email**. Your tutor should be able to support you with your progression options. If you still need help, you can also contact Admissions (details below).

If any of your details have changed, **it is important that you contact our Admissions Team to update your record**. We need to ensure that we have up-to-date email, phone and address details, so that you continue to receive our updates. (Please also check SPAM and email filters and add **admissions@bradfordcollege.ac.uk** to your contacts list).

Progression enrolment will take place online from June onwards. If your progression is dependent on exam results or assessment grades the enrolment will take place following Results Day in August. You will be sent details about this via email over the coming weeks.

We will be sending **emails** and **texts** to share important information including the enrolment process, fees (if applicable) and the documents/ID you will need to complete your progression enrolment over the next few weeks and months. Please check your emails and the College website regularly.

If you need to update any details, please contact our friendly Admissions Team urgently:
